Institute

After spending his life in the outback, Ralph (**Matt Day** - *The Hound Of The Baskervilles*) decides to pursue his dreams of becoming a country singer. Beginning his journey to glorious Nashville, he stumbles upon a charismatic couple, Patsy (**Miranda Otto** - *War Of The Worlds*) and Boyd (**Richard Roxburgh** - *Van Helsing*), who agree to give him a lift. When they are suddenly chased by cops, threatened with guns, run off the road and caught with drugs, Ralph gets more than he bargains for - and his plans for Nashville quickly turn cold.
