Scandal leads to murder in this intense drama set in wartime England. **Natasha Little** (*Vanity Fair*) gives a critically acclaimed performance as Edith, a free-spirited, naïve girl who accepts a marriage proposal from her boyfriend, Percy Thompson (**Nick Moran** - *Lock, Stock and Two Smoking Barrels*) before fully realizing his controlling ways. Unhappy and emotionally unfulfilled in her marriage, Edith seeks the companionship of an old friend, Frederick Bywaters (**Ioan Gruffudd** - *Fantastic Four*), which soon becomes a forbidden love affair. When Frederick's attempt to rescue Edith from her domineering husband spins out of control, envy turns to murder in this true story of a woman caught in the middle of a sexual scandal that leaves no one spared.
