

# THE SANDBAGGERS

**DIGITALLY REMASTERED AND COLOR CORRECTED**

**"The best spy series in television history"**

– THE NEW YORK TIMES

**"Gritty... a deserving addition to the hall of espionage heroes."**

– LOS ANGELES TIMES

**RUTHLESS, CALCULATING – AND THE LAST LINE OF DEFENCE**

Neil Burnside (**Roy Marsden**) is the Director of Operations for the British Secret Intelligence Service – a man who leads his team of agents, dubbed the "Sandbaggers", with decisive ruthlessness. Now digitally remastered, this acclaimed series sweeps viewers along

Westminster's corridors of power and out into the world of espionage, where highly trained spies tackle politically sensitive and dangerous assignments. There is no glamour here, just shadowy anonymity and the acceptance that death may come at any moment.
